THIS PLAN AMENDS THE PREVIOUSLY APPROVED
MDP NO. 762, APPROVED BY PLANNING
DIRECTOR ON 3/16/05.

REASONS FOR AMENDMENT

1. UPDATE THE MDP NO. 762, AS APPROVED ON 3/16/05, TO REFLECT ADJUSTMENTS FOR PHASING OF UNIT 2.
2. REFLECT THE ADJUSTMENT OF THE LOT LAYOUT WITH THE REMOVAL OF THE STUBBED STREET ROAN LODGE. THE STREET STUD IS NOT NEEDED BECAUSE THE ADJACENT NEIGHBORHOOD, THE HEIGHTS AT WESTOVER HILLS, PUD PLAN #93-027A AS APPROVED BY THE CITY DID NOT OFFER THIS PROVISION FOR CONNECTIVITY.
3. INCLUDED THE ACQUIRED 25' WIDE STRIP OF UNPLATTED LAND AT THE EAST SIDE OF THE PROPERTY TO RESOLVED LANDLOCK ISSUES.
4. UPDATED OWNER INFORMATION.

Re: Westover Valley Subdivision (Amendment)

MDP # 762A

Dear Mr. Chua:

The City Staff Development Review Committee has reviewed Westover Village Master Development Plan (Amendment) M.D.P. # 762A. Please find enclosed a signed copy for your files. Your plan was accepted, however please note the following:

- In consideration of public safety and convenience, excessive grades by reason of topography should be avoided in street layouts and arrangements.
- Development Services, Engineering Section has indicated as part of their conditional approval, the developer shall meet the following conditions at the time of final plat submittal. It should be understood that this is a conceptual plan and that all UDC requirements will be implemented for all plats at the technical reviewing stage.
 1. This includes such items as intersection sight distances, street design and pavement requirements, traffic calming, cul-de-sac requirements, knuckle requirements, and right-of-way requirements.
 2. This property is proposed to composed to consist of 371 single family detached homes. Based on the 6th edition of the ITE Trip Generation Manual, this property is estimated to generate 381 peak hour trips. A new collector street will be provided at an existing median opening on Wiseman Blvd. extending to the north edge of the property which will eventually continue to Rogers Road. Two access points will be provided into the new collector street. A stub-out street will provide additional connectivity to the east portion of the property.

Mr. Chua

The following on-site improvements, as well as, improvements along the project limits are necessary and shall be provided by the developer, on and before the completion of the Westover Valley Subdivision, at no cost to the City of San Antonio:

1. The existing median opening on eastbound Wiseman Blvd. shall be modified to provide a minimum of 153 feet of storage capacity.
 2. The proposed collector will have a minimum of 70 ft. ROW with 44 ft. pavement and shall be extended from Wiseman Blvd to the northern portion of Unit One.
- Any access and R.O.W. issues along state facilities will need to be resolved with the Texas Department of Transportation (TXDOT). For information about these requirements you can contact TXDOT at 615-5814.
 - This development will need to comply with tree preservation ordinance #85262. For information about these requirements you can contact the City Arborist at 207-7111.
 - It will be expected that you will plat all of the property depicted in your Master Development Plan (M.D.P.) to include floodplains, drainage areas and open space.
 - I would encourage you to work closely with the school district, so that they can plan accordingly.
 - The Parks and Recreation Department as part of their conditional approval impose the following:
 1. Westover Valley is a proposed subdivision of 371 residential units. Base on Section 35-503 of the UDC, the park dedication requirement for this development is 3.4 acres.
 2. Prior to the recordation of the first plat filed under this Plan, a fee in-lieu of dedication in the amount of \$36,706.50 is to be paid to the Parks and Recreation department prior to the recordation of the first plat filed under this plan.

Mr. Chua

Please note that this action by the committee does not establish any commitment for the provision of utilities, services or zoning of any type now or in the future by the City of San Antonio. If the proposed development is not platted in phases this Master Development Plan M.D.P. will be invalid.

ALL Platting shall comply with the Unified Development Code, Master Plan and Major Thoroughfare Plan for the city of San Antonio.

If you have any questions regarding this matter, please contact Mr. Michael O. Herrera, at (210) 207-7873.

Sincerely,

Florencio Pena III
